TOEFL iBT scores are confidential and are not to be released by the recipient without written permission from the test taker. All staff with access to score records should be advised of their confidential nature.

If you need to verify these scores, please call the TOEFL Score Verification Service at **+1-800-257-8537** or **+1-609-771-7100**. Scores more than two years old cannot be reported or validated.

Additional information about TOEFL iBT scores is available at www.ets.org/toefl/institutions/scores

Am I on Track for College?

Use for the green, yellow, or red symbols next to your section scores. They let you know if your scores are at or above the benchmark scores. Benchmarks show college readiness. If you see green, you're on track to be ready for college when you graduate.

If you score below the benchmark, you can use the feedback and tips in your online report to get back on track.

Benchmark scores:
Evidence-Based Reading and Writing: 470
Math: 530

How Do My Scores Compare?

A percentile shows how you scored compared to other students. It's a number between 1 and 99 and represents the percentage of students who got scores equal to or below yours.

For example, if your Math percentile is 61, that means 61% of test takers had Math scores equal to or below yours.

The Nationally Representative Sample Percentile compares your score to the scores of typical U.S. students.

SAT® User Percentile compares your score to the scores of students who typically take the test.

How Can I Improve?

To see which skills are your strengths and what you can do to boost your college readiness up to your full student online and look for Skills Insight™.

What Are Score Ranges?

Test scores are simply snapshots in time—if you took the SAT on a week for a month, your scores would vary.

That's why score ranges are better representations of your true ability. They show how much your score can change with repeated testing, even if your skill level remains the same.

Colleges know this, and they get score ranges along with scores so they can consider scores in context.

Your online score report includes your score ranges.
