

**Announcement of International School of Engineering, Faculty of Engineering
the Awardee of the ISE Tuition Scholarship for Foreign Students
of the Second Round of International Admission 2022**

International School of Engineering (ISE) selected a non-Thai nationality with excellent academic performance who passed the criteria of the International Admission 2022 of Chulalongkorn University and the criteria of ISE Scholarship for Foreign Students. The awardee of the ISE Tuition Scholarship for Foreign Students of the Second Round of International Admission 2022 is as follows.

No	Name – Surname	Nationality	Program
1	Miss Mahsa Adelifar	Iranian	Robotics and Artificial Intelligence Engineering
2.	Mr. Axel Pedersen	Australian	Automotive Design and Manufacturing Engineering

The ISE Tuition Scholarship covers the following support for 4 years from August 2022 to July 2026.

- 1) Tuition fee
- 2) Program fee
- 3) Health insurance

During the scholarship term, the recipient must maintain GPAX at least 3.00 and support the promotion of the ISE programs at least 8 hours per week assigned by ISE.

ISE reserves the right to suspend or terminate the scholarship for the following reasons.

1. The recipient is deemed to be seriously ill and not physically fit to carry on study
2. The recipient obtains GPAX of less than 3.00
3. The recipient is absent during the semester without notice or reasonable explanation

This announcement is issued on May 31, 2022.

Professor Dr. Supot Teachavorasinskun
Dean, Faculty of Engineering
