CHULA INTERNATIONAL SCHOOL OF ENGINEERING

The ingenuity of CHULA ENGINEERING

Q1. When can I apply / When is the admission period for International School of Engineering (ISE)?

- Apply online at <https://admission.ise.eng.chula.ac.th/Inter/>

December 20, 2021–February 4, 2022

Q2. How to apply to ISE (International Admission Round) Academic Year 2022?

- There are 2 application options.
 - **Option 1** : Test Score
 - **Option 2** : Portfolio

****Students must choose only one option either Option 1 Test Score or Option 2 Portfolio****

Q3. What are the requirements to apply to the program?

- Please see the detail in Chulalongkorn University announcement regarding applications for students in the Bachelor of Engineering (International Program), Faculty of Engineering for Academic Year 2022 (International Admission).

[http://www.ise.eng.chula.ac.th/document/Admission2022/ประกาศรับสมัคร%20ปีการศึกษา_2565_\(รอบ_Non_Thai\).pdf](http://www.ise.eng.chula.ac.th/document/Admission2022/ประกาศรับสมัคร%20ปีการศึกษา_2565_(รอบ_Non_Thai).pdf)

Q4. Is it possible to use GED or IGCSE to apply and what is the minimum requirement?

- Students can apply with GED / IGCSE, however students must request for Equivalency of Foreign Educational Qualifications with Chulalongkorn University Academic Testing Center.
- The equivalency criteria can be found at <https://hsces.atc.chula.ac.th/>
- For more information please contact directadmission@chula.ac.th

Q5. My transcript was confirmed by my school principal, why clarification is needed?

- It is Chulalongkorn University requirements that before applying the undergraduate admission, students with GED, IGCSEs, studied abroad or having other international qualifications should contact Chulalongkorn University Academic Testing Center (<https://hscs.atc.chula.ac.th>) for Degree Equivalence Certificate.
- Applicants with international education systems need to request an actual Equivalence Certificate or Provisional Equivalence Certificate in order to apply for an international undergraduate program of Chulalongkorn University.
- **Request for actual Equivalence Certificate** - For applicants with a foreign High School Diploma
- **Request for Provisional Equivalence Certificate** - For applicants currently attending foreign high school and appropriately qualified for equivalence application
- **Request for GPA Equivalency** – In case that applicant’s high school does not use 4.0 grading system, applicants are required to convert a grade report to the 4.0 grading system with Chulalongkorn University Academic Testing Center.

Q6. Does the program accept credit transfer from another university?

- No, ISE still does not have a policy to accept credit transfer from other universities yet.
- Applicants must start applying the undergraduate admission the same as high school students.

Q7. I have only AS level grade, can I apply?

- No, AS level is not accepted for ISE undergraduate admission.

Q8. Is there any English language preparatory courses for students whose English scores are below the minimum requirements?

- No, we do not have Pre-sessional English Course
- Applicants must meet the English proficiency score minimum requirement to be eligible for applying.

Q9. I am coming from an English speaking country, where my school was taught in English Language, will I still take a placement test in English Language?

- Students, who studied in school which classes are instructed in English for at least 2 academic year, need to provide official confirmation from the institution that English was used as the medium of instruction.
- The certificate of the English curriculum will be equivalent to passing score.

Q10. How many years to graduate?

- It takes 4 year to complete the Bachelor of Engineering at Chulalongkorn University.
