

# FALLING WALLS LAB THAILAND 2024

WHICH ARE  
THE NEXT  
WALLS  
TO FALL?

## THREE MINUTES IS ALL IT TAKES!

Falling Walls Lab is a world-class pitch competition and networking forum that brings together a diverse and interdisciplinary pool of students and early-career professionals by providing a stage for breakthrough ideas both globally and locally. Our multifaceted formats support our participants in driving their innovations and develop their communication skills, fostering collaboration and creating a space for our impactful and sustainable community to thrive.

### What does the event offer to participants?

The Falling Walls Lab Thailand supports our participants in driving their innovations and develop their communication skills, fostering collaboration and creating a space for our impactful and sustainable community.

### How does the competition format look like?

Our candidates will present their breakthrough ideas in 3 minutes in front of our jury of experts from academia and business, and the general public.

### Event schedule:

Application deadline for participants: 10 July 2024
