

AGU CSE STIP 2020

Short Term Internship Program in the College of Science & Engineering, Aoyama Gakuin University, Japan

The college offers short-term internship opportunities for foreign students, both undergraduate and graduate, in the following fields.

- ✧ Integrated Information Technology
- ✧ Industrial and Systems Engineering
- ✧ Mechanical Engineering
- ✧ Electrical Engineering and Electronics
- ✧ Physics and Mathematics
- ✧ Chemistry and Biological Science

Each accepted student will be assigned to a research laboratory and conduct a hands-on research project under the guidance of a faculty member.

Further details on the possible research fields, laboratories, supervisors, and projects are described in a separate brochure.

The length of the program is 8 weeks from the beginning of June, 2020.

The official language used is English.

How to apply

Fill out the application form and submit it with other required documents according to the application details.

Selection is made based on the submitted information and the result will be informed by the end of January, 2020.
