Steps to confirm Program of study
&
Enrollment to ISE AY 2020
January 15, 2020

Room 1101-1104, 11th floor, Engineering Centennial

Memorial Building (100th Year Engineering Building)

Step 1: Registration at 08:30 – 09:00

Please prepare the following items for the registration:

▶ 1) Thai citizen ID card or Passport (for non-Thai students)

▶ 2) A certified copy of Thai citizen ID card or Passport

▶ 3) Two printed copies of program selection confirmation.

⚠ In case of failure to be physically present at the registration period or late arrival, ISE reserves the right to skip to the next ranked candidate ⚠

Step 2: Confirmation of accepted program

▶ 1) After completing the registration, all applicants must stay and wait in the room 1101-1104 until their queue arrives.

▶ If any applicant fails to be present when his/her queue arrives, ISE reserve the right to skip to the next ranked candidate.

▶ 2) Submit two printed copies of program selection confirmation

▶ 3) ISE committee confirms the program to which the applicant is accepted, based on the ranking. The program eligibility is done based on the choices that the candidate has selected online and on the available seats.

Please note that,

▶ The candidate **is not allowed** to negotiate or change his/her choice of the program.

▶ If the candidate does not accept the program offered, his/her admission is forfeited.

▶ During the program selection process, the number of available seats in each program will be live-broadcasted to the waiting area.

ISE reserve the right to cancel the enrollment if the candidate do not complete these steps.
